Good morning everyone! It's good to be back with you here in Liberton Northfield.

Annual Meeting

Just a reminder that today at the end of the morning service we will hold the Annual Meeting of the Congregation at which we will hear a report about our financial affairs and an update on the vacancy situation. We will also try to answer any questions you may have about these and other things. Please join us if you can.

Amos and his family

I'm taking the opportunity of Amos being at Priestfield to let you know about his present situation. This week his wife, Florence, and their children have been at the British Consulate to go through the processes required to obtain visas in order to join Amos in the UK during the course of his studies. The cost of visas, together with the flights, is very substantial and someone suggested that the churches known to Amos might work together to help him raise the money required. It is hoped that we can find some way of helping them both now and after they arrive. If we can, then when arrangements have been made these will be made known as widely as possible among the local churches so that we can offer our support. I'm sure that whatever way in which you might contribute to that support would be appreciated.

This week we went live with our new look website and address. The new site better reflects Church strategy with an ongoing commitment to communication and outreach. This site will be constantly updated so save it as a bookmark. New events or notices will be shown on the home page and group specifics on their own page.

A website is only as good as the information on it. As such, can I please ask for events, updates and relevant material to be sent to me for inclusion (if approved). We will be looking for group leaders to take ownership of their area to ensure it is up to date and shows the best of Liberton Northfield.
