

Bethany Edinburgh Care Shelter

Would you like to help with Bethany Edinburgh Care Shelter?

Bethany provides a warm, safe place to sleep and a hot meal for the homeless every night from November-April. We are one of around 80 churches that help by cooking and serving a meal on three separate nights. We also provide a driver for the Bethany minibus to shuttle the homeless from the centre of Edinburgh to the church where they stay overnight. Last year between 30 and 45 people used this service each night. If you would like to join a team of 6 or 7 of us to cook, drive, or serve food please have a chat with Jeff Hodgson or Helen Palmer or sign up on the sheets in the hall. Other ways to help are by donation of specific food items or money and of course to pray for the homeless in our city. Our nights for this year are Thursday 6th November, 4th December and 22nd January.

Induction meeting we are holding for you on the Wednesday 22nd October in the main sanctuary of South Leith Baptist Church on Casselbank Street. The evening will begin at 7pm. Please do make particular effort to come if you have never been to one of these training evenings before. Don't feel guilty about not going if you have been before or if you are busy. The Team Leaders amongst you please make sure your team is represented at the evening and pass on this invite to those who do not use email.

People who are planning to be involved in the Care Shelter should email Bethany directly on careshelter@bethanychristiantrust.com, if they are able to attend this Induction evening.

CHURCH TREASURER VACANCY

Helen Palmer, our current treasurer, would like to end her term March/April 2015 and we are now advertising this very important and essential position. To help you find out if this may be for you, here are the basic skill requirements for the position:

Requirements

The person needs to be comfortable using computers and programs (there is one specifically designed for the book keeping that we use called Finance co-ordinator). There is a church PC and several files for reference that go with the position. An eye for detail and accuracy is needed and it is also important to meet regular deadlines. An overlap training period of at least 3 months is envisaged. You will never be without assistance in this position as help and advice will always be available from ex-treasurers.

If you are interested, Helen will be delighted to talk through what is involved.

Children's Holiday Club

Children's Holiday club for PL-P7s

When? October 13-17th from 10.00-12.15pm
